To gain field access:
Mon-Fri until 4:00 contact 253-841-8642

After 4:00 contact 253-229-1158
NOTES:
- There is no curb cut from the parking lot to allow access to the building.
- A key must be obtained from Security to open locked gates for site access.

Curb cut does not meet ADA standards

Asphalt pathways to field are too steep and do not meet all ADA standards

Field and Building Access

Photo Locations
Main ADA stalls in parking lot. Note that the crosswalk leads to a curb cut which does not meet all ADA standards. For building access, continue up the sidewalk to the main entrance.

To get to the field, continue through the vehicle gate. This gate is locked at most times. A key may be obtained from Security.

Once through the vehicle gate, continue down one of the asphalt pathways to the field. Note that these pathways are steep, and do not meet all ADA standards.

Additional parking at south end of parking lot. Note that the curb cuts to the sidewalk do not meet all ADA standards.
NOTES:
-A key must be obtained from Security to open locked gates for site access.

Field and Building Access
Photo Locations
Carson Field and Building Access Picture Index

1. To get to main building from ADA stalls, follow the concrete sidewalk, go across the crosswalk and into the building.

2. From the field follow the concrete path up to the playground.

3. Once you've reached the top of the concrete path (from picture 2), go across the playground.

4. Continue from playground (picture 3) to crosswalk shown. Get onto the sidewalk and follow it back to ADA stalls in the parking lot.

Photo Locations
Field and Building Access

Photo Locations
To get to main building from ADA stalls, go across the concrete into the building.

From ADA stalls, go across the concrete (picture 1) and follow the sidewalk down to pavement as shown.

To get to field from ADA stalls, go across the concrete (picture 1) onto sidewalk. Follow sidewalk around the building until it ends (picture 2). Proceed down pavement to fields.

Alternate entry to fields from 164th St E. Enter through gate and follow pavement to fields.
NOTES:
- In order to obtain access to the field a key must be obtained from Security to open the locked gate.
- The curb cut for building and field access does not meet current ADA standards.
ADA stalls at Fruitland. Note that the crosswalk leads to a curb cut with an asphalt transition. This does not meet all ADA standards. For field access, continue south on the sidewalk.

For building access continue up the ramp on the west side of the building, closest to the parking lot. This will lead you to the main entrance.

Follow the sidewalk south and enter through the gate for field access.
Field and Building Access

NOTES:
- There is no curb cut from the parking lot to allow access to the building and/or field
- A key must be obtained from Security to open locked gates for site access.

Field
Field Access
Locked Gate
Building Access

Curb cuts do not meet ADA standards
From main ADA stalls in parking lot, continue over the crosswalk, up the curb cut, and north on the sidewalk to the front doors for building access.

For field access, head to the north west corner of the parking lot, and go through the vehicle gates. These gates are locked during certain hours. A key may be obtained from Security.

Continue through the vehicle gate and keep to the left for field access.
NOTES:
- The curb cut for building and field access does not meet current ADA standards.
ADA stalls in parking lot. Crosswalk to sidewalk missing.

There is currently no curb cut. However, there is an asphalt ramp which can be used to gain access to the sidewalk.

Once on the sidewalk, turn left and a sign directs you to the field. The east end door is locked at all times, but staff often allows parents to enter at the start and end of a school day using the ramp on the end of the classroom wings. For access during the rest of the day, enter the building through the front door (north side) by the main office.

The front door on 8th Ave N.W. is locked during school hours, ring bell to acquire access. Note that the ramp does not meet ADA standards.
NOTES:
- The curb cut for building and field access does not meet current ADA standards.
The only ADA parking for Maplewood is on 12th St SW, on the street. For field access when parking here, continue to the end of the west side wing. For building access, head north and use the curb cut at the street corner.

For field access, continue through the gate, and keep right. Note that the curb cut here does not meet all ADA standards.
NOTES: There is no ADA parking for the school and no curb cut on 5th Ave SW allowing building/field access.

Field and Building Access
Photo Locations
Meeker Field and Building Access Picture Index

1. The south side entrance (5th Ave SW) is the only entrance that is ADA accessible. For field access, continue to the end of the south side wing.

2. If you are already on the sidewalk, enter the asphalt play area on 5th Ave SW for field access. However, if you are entering from the street note that the curb cut does not meet all ADA standards.

3. Once on the asphalt play area, keep right and enter the field through the opening near the big toy play pit.
Ramp does not meet ADA standards

Sidewalk does not meet ADA standards

Field and Building Access

Photo Locations

NOTES:
-In order to gain access to the fields, a key must be obtained from Security to open either of the locked gates.
From ADA stalls, use closest doors for building access. For field access, follow the sidewalk south around the building (See picture 3).

Follow the sidewalk around to the south side of the school, and continue on the asphalt towards the back (See picture 3).

Follow pavement through play area to gain field access.
NOTES:
- There is no curb cut from the parking lot to allow access to the building and/or field.
- A key must be obtained from Security to open the locked gate.

Field and Building Access
Photo Locations
From ADA stalls on side of building, continue to the north for building and/or field access.

After you pass the building, enter the playground through the yellow vehicle gate on your right. This gate may be locked. A key may be obtained from Security.

At the northwest corner of the building, turn east onto the sidewalk. From the sidewalk, enter on the north side for building access. For field access, continue following the sidewalk towards the east end of the site.

Continue through the vehicle gate, and around the play pit for field access.
NOTES:
- There is no standard curb cut from the parking lot to allow access to the building and/or field.
- A key must be obtained from Security to open locked gates.

Field and Building Access

Photo Locations
ADA stalls in parking lot. Crosswalk does lead to a curb cut.

To get onto the sidewalk use the curb cut. Note that this curb cut does not meet ADA standards.

To get to the field, go through the vehicle gate. This gate is locked at most times. A key may be obtained from Security. To reach the main office use the main building entrance to the right of the vehicle gate.
Field and Building Access

Photo Locations

NOTES:
--There is no way to reach the play area without going through the building
-A key must be obtained from Security to open the locked gates.

Uneven sidewalk does not meet ADA standards
Spinning Field and Building Access Picture Index

1. ADA stall on 15th St SE. Enter site through the gate located at end of hatched crosswalk for portable access. Note that doors for building are locked, and there is no site access. For site access from this spot, follow sidewalk south and enter through gates. Note that the ground is uneven, and does not meet all ADA standards.

2. Entrance to site from 13th St SE does not meet ADA standards due to the fact that there is no ramp. For site access, enter through main entrance during school hours.

3. Once in the play area, enter the field through the gate next to the play pit.

ADA stalls in Stewart parking lot, off 4th Ave NE. Continue up the curb cut, and follow the sidewalk south-east for to the main entrance. Continue south on the sidewalk for field access.
NOTES:
- In order to gain access to the field without going through the building, a key, obtained from Security, must be used to unlock the gate from the parking lot on the west side.
- There is no ADA parking in the lot on the west side of the school.
ADA stalls in parking lot. For field and/or building access, continue north along the sidewalk and enter through the front doors.

On the south side of the building, there is a car accessible parking spot however, there is no crosswalk. Note that this stall does not meet all ADA standards. There is a field gate on the west side of the building. A key to open this gate may be obtained from Security. All visitors must check in at the front office.

From either the field gate on the west side, or by going through the building, access may be gained by continuing across the asphalt play area to the field.
NOTE: In order to gain access to the field, a key obtained from Security must be used to open the locked gate.

Curb cut does not meet ADA standards.
ADA parking stalls at Wildwood. Note that the stalls do not meet all ADA standards. For building and/or field access, use the crosswalk directing you toward the building. For building access, continue up the curb cut, onto the sidewalk, and straight to the building.

For field access, continue north on the asphalt, following the painted yellow hatching. The vehicle gate is often locked. Obtain a key from Security.

To reach the field, continue north from the vehicle gate, straight to the field.
NOTES:
- There is no curb cut from the parking lot to allow access to the building and/or field.
- A key must be obtained from Security to open the locked gates.

Curb cuts do not meet ADA standards

Field and Building Access
Photo Locations
From main ADA stalls in parking lot, use the crosswalk and curb cut to gain access to the sidewalk. Note that the curb cut does not meet all ADA standards. For building access, use the nearest door, at the southwest corner of the school.

Note that the right ADA stall at the east end of the parking lot looks very wide due to there being excess room.

The other ADA stalls, at the east end of the parking lot, are both car stalls. The curb cut does not meet all ADA standards.

For field access, continue to the north western part of the parking lot. Continue straight through the vehicle gate, and follow the pathway, on your left, out to the fields. Note that this gate is locked at most times. A key may be obtained from Security.
NOTES:
- A key must be obtained from Security to open the locked gates.
ADA stalls in parking lot. Instead of a curb cut, the sidewalk slopes down to the existing pavement. This does not meet all ADA standards.

From the sidewalk, continue west towards the building. For building access, use the front door, located at the northeast corner (closest to you) of the building. For field access, continue through the vehicle gates marked by the "Field Entrance" sign.

Once through the vehicle gate, continue down the asphalt pathway, and turn right to enter the field.
Field and Building Access

Aylen Field and Building Access Picture Index

1

From ADA stalls, follow the sidewalk east for building access.

2

For field access, follow the sidewalk south to the field.
NOTE:
- In order to gain access to the fields, a key must be obtained from Security open either of the locked gates.
- Field use may be limited due to construction.

Curb cuts do not meet ADA standards.
Ballou Field and Building Access Picture Index

For building access from eastern ADA stalls at Ballou, follow the sidewalk onto the crosswalk, and up the curb cut. Continue east along this sidewalk to the front doors of the main building.

For field access from the western ADA stalls at Ballou, use the crosswalk and curb cut to reach the main sidewalk on the north side of the building. Head east and continue through the gates between the two main buildings. Follow the sidewalk south toward the portables, and continue on the asphalt pathway between the portables, and through to the field.
Field and Building Access Photo Locations
Edgemont Field and Building Access Picture Index

From ADA stall in south parking lot, continue over the crosswalk, and use the curb cut to gain access to the sidewalk. Follow this sidewalk north for building access.

For field access, park in the northern lot behind the baseball field, off 24th St E.
NOTES:
-A key must be obtained from Security to open the locked gate.
-There is no curb cut from the parking lot to allow access to the building and/or field.

Curb cut does not meet ADA standards.
ADA parking stalls at Ferrucci. Note that the stalls and curb cuts do not meet all ADA standards. For building and/or field access, use the crosswalk toward the curb cut.

For building access, use the curb cut and continue south along the sidewalk, and around to the front of the building. For field access, continue north on the asphalt.

Follow the asphalt to the north end of the parking lot, and continue down the path by going through the vehicle gate. This gate is often locked. A key may be obtained from Security. For field access, follow the path east, down toward the field.
