

Teacher Retooling

Northwest Educational Development offers a retooling program that allows current, certified teachers the opportunity to earn a new endorsement in a streamlined, efficient, and economical process.

Current endorsements offered:

- Early Childhood Education (P-3)
- Elementary (K-8)
- Special Education (P-12)

Program Outline:

- Applications accepted: Open
- Applicant selection/notification: Continuous
- Teachers complete online modules*, assessments, and assignments
- Teachers complete five field reflections
- Field Supervisors observe/complete a minimum 2 field assessments
- Expected exit: Upon completion of required elements

* The number of modules required is determined by a review of the candidate's transcripts and previous experience.

Entrance requirements:

- Valid teaching certificate
- Required NES/WEST-E for desired endorsement
- Field placement (current or found placement site)
- Recommendation from a current principal or district administrator
- Transcripts from all colleges and universities attended

Cost: \$3500
