

## Checking Enrollment of an Upcoming Activity

[pd-help.frontlineeducation.com/hc/en-us/articles/115004169947-Checking-Enrollment-of-an-Upcoming-Activity](https://pd-help.frontlineeducation.com/hc/en-us/articles/115004169947-Checking-Enrollment-of-an-Upcoming-Activity)

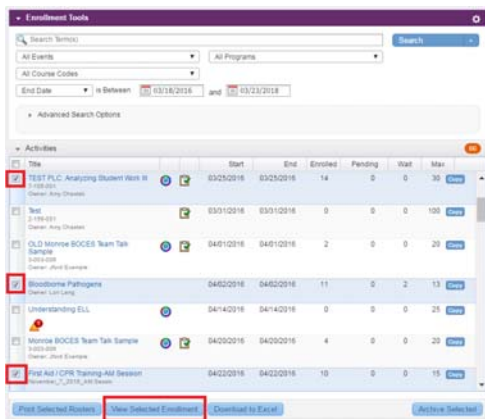

Activity enrollments can be found in several places in the system. Follow the directions below for the easiest access to enrollments.

Use these steps to Check Enrollment of an Upcoming Activity:

Once you are on the **Enrollment Tools** page, the columns next to the activities titles indicate the number of participants in each category. Click on the column headings to sort the list by that column.

**Note:** If you do not see an activity listed, be sure that the viewing options at the top of the screen are set correctly (the Start Date of the activity is within the dates indicated, and the correct option regarding archived and active activities is selected).

Select the activities - Click on the check boxes next to the activity titles to identify the ones you want. Click on the **View Selected Enrollment** button at the bottom of the screen.

**Activity Enrollment Status - Selected Activities**

TEST PLC: Analyzing Student Work III			
In the 2nd-3rd grade PLC, participants will learn and practice a systematic process for analyzing student work to identify evidence of student understanding. The team will:			
Review learning goals and articulated student responses from their lesson plan.			
Look for specific evidence of understanding in student work samples.			
Discuss discrepancies in interpretations.			
Collaboratively consider implications for instruction, including feedback to students, additional instruction, and revision of the lesson plan.			
Dates:	Mar 29 - Mar 29	Hours: 20.00	# Enrolled: 14/30 Cost: \$0
