

# Teen Primary Care and Health Promotions Services are now available at your school!

Madigan's School Based Health System is now providing health promotion, primary care and behavioral health screening services to military students in grades 6-12 at local school-based health centers for TRICARE Prime and Standard beneficiaries!

## Services available:

- School physical exams
- Nutrition and weight counseling
- Immunizations
- Diagnosis and treatment of minor illnesses/injuries
- Treatment of asthma, anemia, acne, and other health problems
- Referral for Specialty Care
- Behavioral Health Screening and Counseling
- Comprehensive Well Woman Services

Available at:

## Rogers High School

Clinics on every other Friday morning from 9:00 a.m. to 11:30 a.m.

Appointments can be made by calling TRICARE at 800-404-4506.

For questions, contact Madigan-Puyallup Community Medical Home at 253-477-5051 or sign up for RelayHealth at [www.RelayHealth.com](http://www.RelayHealth.com).
