

Scholarships

We are extremely excited to have a “unified” scholarship bulletin at the district level. The high school scholarship coordinators will no longer create bulletins at their individual buildings. ***This new scholarship bulletin format will create equal access for all students and families as well as provide scholarship information and updates in a timely manner.*** We encourage students and families to “frequently” review the bulletin to identify scholarship opportunities (this is a *LIVE* document as scholarships are added daily). *Because scholarships may have been removed (due to an expired due date) or changed since the publication of these listings, please double check their validity.*
