

# PSD MATH CAMP!!!

**When: July 31 - August 3, Aug 7-10 (Mon-Thur) 9:00 am to noon**

**Where: Rogers High School**

**Who: YOU!** And lots of other awesome soon-to-be-7<sup>th</sup> graders who will be attending the same junior high with you in the fall!

**What: FUN! MATH! PRIZES! SNACKS! GAMES!**

*Why: Because it's AWESOME! You get to come and hang out with a bunch of other incredible kids who are all about to be 7<sup>th</sup> graders at Stahl or Ballou. We have the coolest teachers from those schools there to have fun with you. We play games, do fun challenges, eat snacks every day, and have lots of fun. And you end up learning some of the math in some cool ways that will help you absolutely rock it in math class as a 7<sup>th</sup> grader! And we end with a pizza party and big prize giveaways! What an awesome way to spend two weeks this summer!*

And it's all your's for the low, low price of.....**NOTHING!**

If you are interested then please go to this link and sign up:

<https://goo.gl/3qsLgp>

If you cannot access that link, then.....

Any questions: E-mail either Catherine Ventura [VentuCN@puyallup.k12.wa.us](mailto:VentuCN@puyallup.k12.wa.us) (region 2 camp leader) or Heidi Matson (District Math Camp Rock Star) [MatsonHM@puyallup.k12.wa.us](mailto:MatsonHM@puyallup.k12.wa.us)

Space is limited. Decisions about who will be able to attend math camp will be based on:

- Teacher Recommendations
- Math Test Scores (SBA and Others)
- Registration in Regular 7<sup>th</sup> Grade Math
- Ability to attend all 8 days

## PRIZES

PUYALLUP  
SCHOOL DISTRICT  
*A Tradition of Excellence*
