Key understandings of Enrollment in the Two-Way Dual Language Program:

- Dual Language is offered in-person / hybrid only.
- Acquiring a second language is a long-term process. Parents must commit to remain in the program over time. Our program at the elementary level is K-6
- Even though you as parents may not speak both English and Spanish, you must pledge to support your child at home to the extent possible.
- Parents must ensure your child attends school on a regular basis.
- For the greatest opportunity for success in the program your child should:
 - have strong pre-literacy skills
 - be able to handle change
 - be tolerant of transitions
 - exhibit positive attitude about learning new things
 - be a self-starter
 - be self-disciplined
- Students residing within the Puyallup School district but outside the boundaries for Karshner or Dessie Evans Elementary must complete an In-District Waiver Request
- Students residing outside the Puyallup School District boundaries must submit an Out of District Waiver Application

If you have questions, please do not hesitate to contact:
