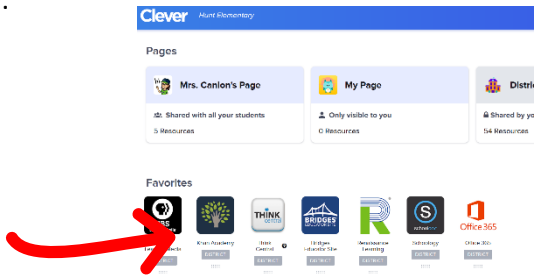
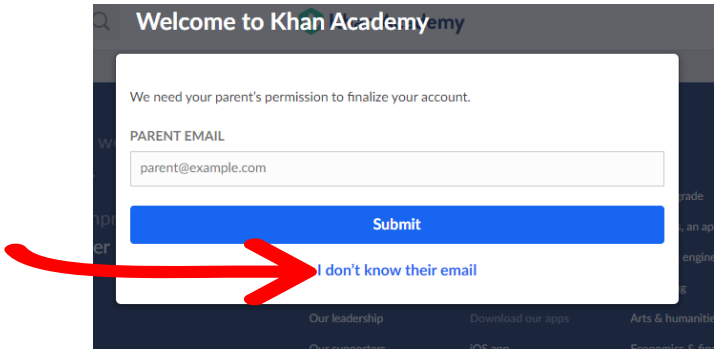
Khan Academy

1. Login to Clever. You can find it at clever.com and sign in as student (and search Puyallup School District or start at the link under Families on the district website, www.puyallup.k12.wa.us).
2. Choose Khan Academy.



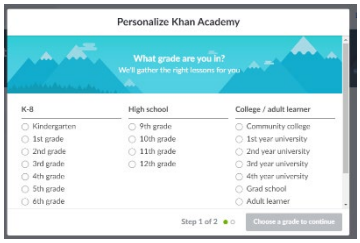
3. 
Click – "No I need to create an account.

4. Click – I don't know their email. (Your parents do not need to sign up.)



5. Choose your grade level

(or lower for review) and you are all set!



You can choose skills that you know that you need to work on, or I may assign tasks for you to try.
