

Zoom for iPhone – Family Guide

STEP 1:

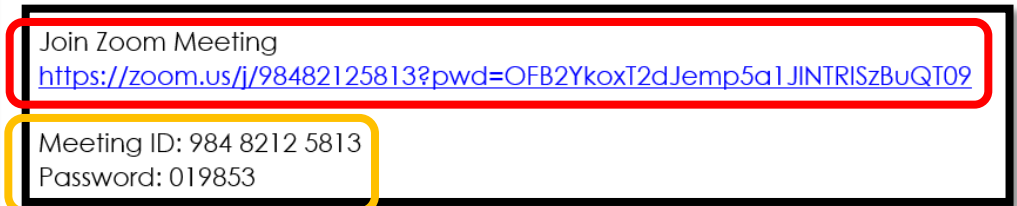

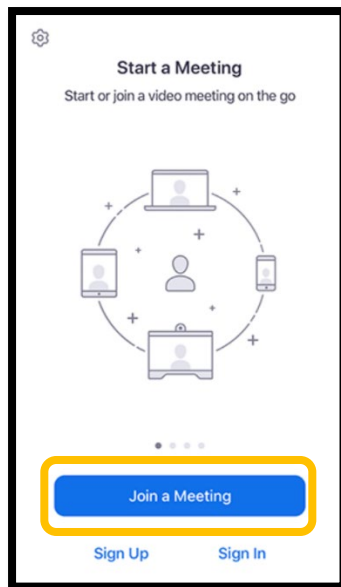

Download the free Zoom app from the app store.

STEP 2:

When you receive a **meeting link** from your teacher, click and it will open in the app.

You can also join a meeting by entering the **Meeting ID and Password**

STEP 3: See Page 2 for meeting controls

Meeting Controls:

This button shows your speaker is on.

This button turns the camera around.

This button exits you from the meeting.

This is where you'll see your picture, the speaker's picture, or shared content. Swipe left if to see a different view.

This button mutes your microphone. Keep it muted unless you are speaking.

This button turns your camera on and off.

This button allows you to share something on your screen. If you are not the host you will need permission.

This button allows you to see participants. In here you can chat if chat has been enabled.

Click this button for more options:
